THE WASHINGTON RIOTS.

THAT HANDBILL. a handbill was printed in this city, in relation cision." Purporting to have issued from the office of the discovery of the spectable journal known to be friendly to the American party; and it is probable that copies of it were sent throughout the country, to papers having similar predilections. Please state, as an act of instinct for an absorber would be found to the Bulletin have a man tried of war. to the riot on Monday and its disustrous result. of it were sent throughout the country, to papers having similar predilections. Please state, as an act of justice to an absentee, and a high-minded and honorable gentleman, that Vespian Ellis, the sole proprietor and editor of the late journal, left here on Saturday for Louisville, to attend the National American Convention, where he intended to resign the partisan trust, imposed upon him, and tender his abjuration of all politics in future; that, at the time of the right have a man tried by those who had prejudiced his cause? It is not "vague impressions" or opinions formed from mere rumor that will disqualify the person attend the National American Convention, where he intended to resign the partisan trust, that the testimony upon which he makes up his mind must be from an authentic source. If this "opinion" is formed, for instance, from Tom avery vs. Poor Mes.

That interesting sheet—the West Tennessee, could have known nothing of the most in frankits, could have known nothing of the statements of witnesses to the party, he is was at or near Louisville, and, being in frankits, could have known nothing of the statements of witnesses to the party, he is was at or near Louisville, and, being feelings.

Every time one of our servants remonstrated with the proud old beggar, the had authority to use the name of his journal in the statements of witnesses to the party, he is excluded. Is it not proper to exclude such?

The was at or near Louisville, and, being feelings.

Every time one of our servants remonstrated with the proud old beggar, the had authority to use the name of his journal in the supremacy of law, some startling developments, charging that Mr. had authority to use the name of his journal in some startling developments, charging that Mr.

Avery is the enemy of the poor man, because it states that in 1844, when a Representative from Shelby, Fayette and Hardeman, he voted to revise the law to imprison the debtor. The

ALABAMA INTELLIGENCE.

The law for which Mr. Aveny voted, together with the amendments, provided, in substance, American candidate for Congress in the Mont-

swindler and the dishonest man, who, having his pockets full of money, refuses to pay the laborer for his toil, the mechanic for his skill and incustry, the farmer for his produce? No man was liable to the penalties of that law heavy in helcoging to his lady.

served that the amendments to the law, for which Mr. Average voted, materially changed the character of the old law in force several years ago.

SAMUEL AND HIS DESTINY.

I do not know where Sam was born, The knowledge do not crave, But think he came from Europe This Union sent to save. With magic voice, and knowing node Awoke us to our dangers,

By telling us this land of ours Would soon be ruled by strangers, He told us, too, the Pope of Home, With Bishops and Prelates, Would come across the sea and tak

The whole United States His was was a mission great, divine, A mission fraught with bliss, To save us on the fearful brink Of ruin's dark abyes.

The people stared-their eyes flashed fire With rage their faces pair; Their hands were clutched, their bosoms heaved For such believed the tale, "Come, come with me, I have a plan,

And Sammy sweetly smiled. And led them to a lovely spot, Pas into the forest wild. His dupes were sworn, in solemn form, Deep silence to maintain ; Until their men should fill the land From Plorida to Maine.

For Catholic or Jew, French, Russian, Portuguese, Scotchman or Hipdon. The compact made, the bargain sealed This officers appointed:

Cautious he was and wondrous sly.

He "calculated" he could count

His army swept the land; And many times quite unawares.

We pressed a "Sambo's" hand.

Would say, when asked, "where is your den?"

"Know-Nothing" was his out-door name.

That's strong as able, and pure as strong-

This party watched young Sammy's steps

(Too brave to strike a stripling youth)

And then the imposter-slew !

Poor Sam ! he is gone, he is gone-

No tomb stone marks his grave; He came to save a ruined land,

But many a man of good intent

"I know not, I'll declare,"

But this sly trick could not be hid From men with open eyes,

There is a party true and tried, Whose head is hoar with years,

He claims the name of Democrat.

His motto "common sense."

"Honesty" his defense.

Till be to manhood grew;

Himself he could not save. His sins were great, his joys were few.

We'll weep no tears of serrow,

But let him rest, chilvious shades

Will shelter Mvy 81, 1867.

His beart embraces all the world.

Was led into the enare,

He had no party ties;

He knows no idle tears.

A multitude of votes. And so be did, when braught to test,

His followers should never vote

Young Sammy was declared the Pone With hely oil ancinted, In lonely caves, in solemn dens, And "banquet halls described."

The hely name of Liberty Was recklessly perverted. But "Sammy," though a mighty child, A youth of huge dimensions, Was yet too small and much too young To make such great prefensions.

His work was done quite sprightly; He a'ways had it done at night-Not when the moon shone brightly His caves were watched by sentinels. His men made known by grips, His signals out of paper cut In small three cornered slips. Well, Sammy grew, and wared quite strong-Began to feel his outs;
